

# Mixed Bag-Cycle 30

## Language

**Task 1-** Write a descriptive passage on Holi Celebration of about 150 words using sensory details(sight, touch, feel, taste, hear, smell). Also add strong verbs, adjectives and figures of speech to make your writing piece attractive.

**Task 2-** Write a sentence that contains each pair of words. The first one has been done for you.  
Eg. Lend, borrow - If you **lend** me your pen, you can **borrow** my rubber.

- |             |          |
|-------------|----------|
| 1. teach    | learn    |
| 2. where    | were     |
| 3. practice | practise |
| 4. their    | they're  |
| 5. it's     | its      |

## Math

### **Task - 1**

- Use the website [https://www.canva.com/en\\_in/create/infographics/htt](https://www.canva.com/en_in/create/infographics/htt) and create an Infographic on the topic, '**Why Holi with Organic colors?**'.

(For this Infographic, you must research or ask people about disadvantages of chemical colors and advantages of organic color in order to have concrete data in your infographic.)

- Download your Infographic and upload it in the folder shared by your HRT.

### Task - 2

Observe your surroundings and write an example of each of the Polygons listed below. (one example is done for you)

<b>Polygons</b>	<b>Example (Where it is seen in real life?)</b>
Octagon	Stop sign beside the roads
Rectangle	
Square	
Triangle	
Hexagon	
Heptagon	
Nonagon	
Decagon	
Pentagon
